2021/3<sup>8</sup> adopted by the Executive Board, which recommended the acceleration of the Programme's digital transformation and the mobilization of financial resources, within the broader resource mobilization strategy, to support the development of innovative capacity-building and learning tools;

4. *Takes note* with appreciation of the progress made by UN-Habitat in the implementation of the Capacity Building Strategy for implementation of the Sustainable Development Goals and the New Urban Agenda, and in particular the accelerated digitalization of its capacity development tools in response to the pandemic, while recognizing the limitations due to available resources;

5. *Requests* the Executive Director to develop a plan to further develop the institutional anchoring of the capacity building as a cross-cutting function; to continue the integration into programming and quality assurance as a way also to increase the impact across the outcomes of the Strategic Plan; to promote innovation and new technologies for capacity building, in particular the use of digital capacity building tools and approaches; and to do so through strengthened stakeholder engagement and partnerships and present the plan to the Executive Board for further consideration and possible approval;

6. *Further requests* UN-Habitat to facilitate a dialogue with Member States and relevant stakeholders on how to scale the financing of capacity building, in particular in developing countries and fragile settings, reviewing different sources to finance and leverage capacity building efforts and to report to the UN-Habitat Assembly at its second session and to the Executive Board on actions taken;

#### **(c) Stakeholders engagement and Sustainable Development Goals localization in support of the Decade of Action**

7. *Acknowledges* that in a context of increasingly complex and intertwined crises that threaten to derail the progress towards the Sustainable Development Goals (SDGs), local and regional governments are crucial actors to build a more resilient future; and *taking note* of the importance to advance the localisation of the SDGs and accelerate the implementation of the New Urban Agenda and the Paris Agreement, with the strong support from the national governments as appropriate;

8. *Encourages* UN-Habitat to work closely with local and regional governments, through national governments where applicable, as well as their networks and associations, and other local stakeholders, to support their efforts towards a sustainable and inclusive, recovery and long-term resilience;

9. *Urges* UN-Habitat to fully engage in the UN development system's reform, including by participating in Common Country Analysis and United Nations Sustainable Development Cooperation Framework processes led by UN Resident Coordinators at the country level;

10. Subject to the approval by the Executive Board of the programme of work and budget, for the year 2022, *encourages* UN-Habitat to support the preparation of Voluntary Local Reviews by local and regional government through normative guidance and technical assistance as requested and building connections with Voluntary National Reviews as appropriate.

### **Draft Recommendation 2021/2: Implementation of Resolution 1/1 on the UN-Habitat Strategic Plan for the period 2020-2023**

#### *The Committee of Permanent Representatives*

1. *Welcomes* the update and report of the Executive Director on the midterm review of the implementation of the strategic plan of the United Nations Human Settlements Programme for the period 2020–2023<sup>9</sup> and of the update

of the Executive Director and annual progress report for 2020 on the implementation of the strategic plan of the United Nations Human Settlements Programme for the period 2020–2023<sup>10</sup>;

2. *Recognizes* that the COVID-19 pandemic demonstrates the value of the strategic plan, which serves as both a framework for recovery and a roadmap for achieving the Sustainable Development Goals;

3. *Recognizes* challenges associated with monitoring implementation of the Strategic Plan, the results framework, and means of verification of certain indicators;

4. *Acknowledges* the adequate extra-budgetary earmarked funding to the organization yet shortfall of extra-budgetary non-earmarked funding that has severely restricted the organization to achieve balanced progress across the Strategic Plan and monitor its implementation and *requests* UN-Habitat to present to the Executive Board for its second session in 2021 a focused draft work programme for 2022;

5. *Welcomes* the efforts made by UN-Habitat, taking into account the financial constraints, to strengthen integrated programming and synergies, contributing to different outcomes across the Strategic Plan;

6. *Welcomes* the efforts of UN-Habitat to respond to the COVID-19 pandemic in its technical assistance and in its strategic orientation, analysis, and contribution to UN systemwide coordination;

7. *Encourages* UN-Habitat to further adjust and strengthen its support to Member States in responding to new vulnerabilities and risks in terms of resilience and climate change, and of creating conditions for sustainable and inclusive recovery in response to the pandemic and to accelerate progress towards the full implementation of the 2030 Agenda for Sustainable Development;

8. *Calls* upon UN-Habitat to strengthen the analysis of linkages among its operational and normative activities to increase the impact of its work across the relevant outcomes of the Strategic Plan in support of sustainable and inclusive recovery and present the analysis to the second session of the UN-Habitat Assembly and of the Executive Board for further consideration.

### **Draft Recommendation 2021/3: Secretary-General's Quadrennial Report on the Implementation of the New Urban Agenda, the High-level meeting of the General Assembly to assess progress in the implementation of the New Urban Agenda, and the eleventh session of the World Urban Forum**
